Presents

2018 Flight Instructor Revalidation Clinic

January 20th and 21st

Wings of Hope

18370 Wings of Hope Boulevard

Chesterfield, Missouri 63005

Saturday Morning Registration begins at 7:30 and runs until 8:00.

Sunday doors Open at 7:30, Session 2 of the FIRC starts at 8:15

The 48th Annual GSLIA Flight Instructor Revalidation Clinic is truly “one-of-a-kind” as it is presented by active aviation professionals in a guided-discussion format. Why sit behind a computer all alone trying to complete an on-line or “out of the box” FIRC with no human interaction? The GSLFIA allows you to interact directly with the presenters, ask questions and help guide the discussion to get the most out of the information.

The GSLFIA FIRC follows a recently issued Advisory Circular that is focused on timely issues of interest to all professional flight instructors including TSA rules, Pilot Deviations, Recent Regs and Policy changes, building a safety culture and information and advice for those returning to flight instruction. Continental Breakfast provided by sponsors, lunch provided by the GSLFIA.

FIRC Fees for Renewing Flight Instructors

Early Registration (before or on 01/13/2018)	\$200.00
Day of Event, at the door	\$225.00
Audit Fee Per Day (as space allows)	\$50.00
